May's Meeting

***** Our May meeting on May 6th, featured Steve Munisteri *****

Steve serves as a Senior Advisor to Governor Greg Abbott and has been an influential force in the Republican Party of Texas since his teenage years.

His remarks carried a serious and urgent tone, reminding us that Texas has not always been a Republican-led state—and that it can be lost if we fail to stay engaged. His message was clear: complacency is no longer an option.

We must stay active, stay committed, and continue working to elect strong conservative candidates in this year's elections and in the years ahead.

“Behind every great woman...is another great woman.” – Kate Hodges

Upcoming June Event

Our regularly scheduled luncheons are on pause until August, but we invite you to join us for a lovely **Membership Coffee** at the home of Candace Sandifer on **Friday, June 5th**. This special gathering will feature guest speaker, **Andrew Yeager**.

Andrew serves as the Senior Development Manager for Texas Values, where he champions faith, family, and freedom across our state. With more than 35 years of experience in media sales and business development, he brings a seasoned and compelling perspective to the organization's mission.

His work strengthens community engagement and advances policies that reflect the values Texas families hold dear. Andrew's message will inspire, encourage, and remind us why our involvement matters.

Bring a friend, enjoy a beautiful morning together, and help us grow our membership as we prepare for an important election year.
